

Nanao's Household Garbage Sorting and Disposal

- There are designated places for garbage disposal. Please check with your landlord or Town council head.
- Garbage collection days differ depending on where you live. Please confirm the garbage collection calendar that corresponds to your location and only throw garbage out on those designated days. Each area's collection calendar can be found at Nanao city hall in the Environment department. It can also be found on the internet on Nanao City's homepage or even from cable television.
- You can take out your garbage on the collection day up until **8:30AM**. Please do not take out your garbage at any other time.
- Please separate your garbage and take it out on the designated days by these 6 categories: 1. Burnables 2. Garbage to be buried 3. recyclables 4. Metals etc 5. small household electronics 6. Empty bottles and Dry batteries etc.
- It is prohibited by law to dispose of garbage in any other way.

● Garbage type table ●

1. Burnables (twice a week)

Kitchen waste, unrecyclables, wood items, plant waste, cloth items, leather, rubber items, Styrofoam, plastic items

#Please use the designated yellow bag and tie the top when disposing. If you use other bags or cardboard the garbage won't be collected.

#Please dry kitchen waste

#Please don't put metal buttons and buckles with the garbage to be buried.

#Please put paper than can be recycled with the recyclable group.

#Please don't put soiled diapers in this group.

This is the only bag that can be used for burnable garbage.→

2. Garbage to be buried (once every three weeks)

Umbrellas, incandescent lamps, fluorescent lamp starters, cups, ceramics, heat-resistant glass, broken glass, spray cans, cosmetic containers, farming chemical containers

Certain appliances (e.g. electric blankets, electric carpets, dehumidifiers, water coolers, water purifiers, oil heaters)

#Only items under 150cm will be collected, everything larger please take directly to Nanaka chuou landfill.

#Please label bags containing dangerous items such as blades/broken glass with "キケン"

#Please put a hole in the empty spray can when disposing. Please wash out cosmetic and farm chemical containers.

#Please fold and tie electric blankets/carpets so that their switches can be easily seen.

3. Recyclables (once every 4 weeks)

Newspaper, magazine and printed materials, cardboard, aluminum cans, pet bottles

#Please don't mix newspapers, magazine and printed materials, cardboard, aluminum cans, pet bottles together.

#Please bind newspapers, magazine and printed materials, and cardboard with a cross shape tie.

#Aluminum lids are also okay to put with aluminum cans. Please wash the insides and crush as much as possible.

#Please remove lids and labels from pet bottles and then wash and crush them as much as possible. The lids and labels are burnable garbage.

4. Metals etc (once every 3 weeks)

Metal items, steel cans, bicycles, kerosene heaters

#Only items under 150cm will be collected, everything larger please take directly to Nanaka chuou landfill.

#Please wash the inside of steel cans. Please empty the cans of any paint or fuel.

#Please write on bicycles "不用品"

#Please take any dry batteries, fuel from kerosene heaters and take them out on metals day during April, May, November or December.

5. small household electronics (once every 12 weeks)

#Please take out dry and big batteries, and erase any personal information from small household electronics when disposing.

Cameras(digital, film), video cameras, music players, stereo sets, electric dictionaries, electric notebooks, calculators, video decks, DVD/BD players, projectors, game systems.

Telephones (home, cell), fax machines, digital tuners, radios, radio cassettes, mice, keyboards, printers, outer applied HDD, modems, word processors, rice cookers, microwaves, toasters, lamps, electric stoves, electric massagers, irons.

Remotes, chargers, memory sticks (USD, SD cards) cords, cables, adapters, plugs.

6. Empty bottles and dry batteries etc. (once every three weeks)

Clear bottles, brown bottles, other color bottles, dry batteries, florescent lights, mercury thermometers, mirrors

How to dispose empty bottles:

#Please divide bottles by the colors, clear, brown and other.

#Please have the shop take large sake and beer bottles.

#We only take food and drink bottles, or over the counter medicine and vitamin bottles.

#Please remove caps and dispose according to material. Labels can be left on. Please wash the bottles.
